Why do we collect signatures?

- Iowa requires that Senate candidates collect at least 3500 valid signatures, including 100 from 19 different counties.
- Any eligible voter can sign a candidate petition, regardless of registration status or party affiliation. All that is required is that they are at least 18 years of age and an Iowa resident.

How to collect signatures:

- You can find and print Zach's petition sheets at zachwahls.com/petitions
- Nomination petitions are county specific. All signers on a petition sheet must be residents of the same county. County name should be filled in on the highlighted above. If you encounter someone from a different county, start a new sheet.
- Encourage signers to print their name instead of signing and ensure they fully spell out their address and city on each individual line.
- Use blue or black ink when filling out petitions.

What to do with completed sheets:

- When finished, nomination petitions can be returned via mail to:
P.O. Box 5670
Coralville, IA 52241
- If you have any questions, please contact AJ Mortale at amortale@zachwahls.com
